## **Roadmap: The Journey of Aliente**

The Aliente Meme Token is on a mission to become a dominant force in the meme and crypto space. Our roadmap is divided into four key phases designed to ensure sustainable growth, community engagement, and cultural impact.

### **Phase One: Launch Preparation & Foundation**

- Smart Contract Audit & Certification:

Conduct comprehensive third-party audits to ensure transparency, security, and investor confidence.

- Presale Launch (12 Weeks):

A structured presale campaign to fund development and build early community engagement.

- DEX Listings:

Initial listings on leading decentralized exchanges (DEX) to provide liquidity and trading accessibility.

### **Phase Two: Market Penetration & Community Growth**

- CoinGecko / CoinMarketCap Listings:

Apply for listing to boost visibility and credibility within the crypto space.

- Trending Exchange Listings:

Focus on high-traffic platforms to gain momentum and visibility.

- CEX Listings:

Expand trading through centralized exchanges for broader reach.

- Community Expansion:

Engage users via social platforms, events, and interactive campaigns.

- Increased Marketing:

Utilize digital marketing, meme campaigns, and influencer collaborations for global awareness.

### **Phase Three: Branding & Merchandising**

#### **- Influencer Partnerships:**

Collaborate with influencers to promote Aliente to a wider audience.

#### **- Manufacturing Partnerships:**

Partner with manufacturers to create high-quality merchandise.

#### **- Design of Novelty Items & Clothing:**

Launch exclusive Aliente-themed merchandise.

#### **- E-commerce Store Launch (Fiat Payments Only):**

Create an accessible online store accepting fiat payments for global merchandise sales.

### **Phase Four: Domination & Global Reach**

#### **- Strategic Partnerships:**

Establish further partnerships with key players in the crypto and cultural space.

#### **- Global Expansion:**

Penetrate new markets and build multilingual community support.

#### **- 10,000+ Holders Milestone:**

Achieve a robust and committed holder base.

#### **- Meme Conquest:**

Cement Alientes place in meme culture through relentless creativity and engagement

## **Security & Transparency**

To ensure trust and safety, our smart contract will undergo thorough auditing and certification. This process guarantees a secure and legitimate project, reinforcing our commitment to transparency and community trust.

## **Community Engagement**

We actively engage our community through Telegram and X (Twitter), providing regular updates, news, and opportunities for feedback. Our goal is to maintain open communication and foster a strong, united Aliente community.

## **E-commerce & Branding**

Our e-commerce store will offer premium novelty and clothing items, all centered around the Aliente brand. We aim for our logo and merchandise to be instantly recognizable worldwide, reinforcing the Aliente identity across both digital and physical realms.

## **Team**

Aliente is backed by a well-rounded team of designers, developers, marketers, and blockchain experts. From smart contract development to product design, our team is dedicated to ensuring the project's success and long-term growth.
